

# Invergordon Golf Club

**Weekly Newsletter – W/E 20th of February  
2022**

**Fixture List** – fixture list now available and will be handed out with membership renewals.

**Membership Renewals** – due at the end of March. To aid club cash flow and also help club budgeting, early payment of renewals would be appreciated where possible.

**Pool Table** – the club now have a pool table in the bar which is there for use by anyone. We hope that this will attract more people into the club/bar.

**Quiz Night** – thanks to everyone who attended the quiz night on Saturday and a special thanks to John Fraser for being the quiz master. Grand total of £128.00 was raised from the night.

**Course Status Updates on BRS** – we are anticipating some bad weather later on next week so please continue to refer to BRS for course updates. These updates will be displayed at the top of the tee sheet for that specific date.

**New Website** – Exciting times everyone.

We are soon to bring on-line our new website and back office system which will help our members, visitors, and golf in Scotland.

Soon our members will receive instructions and updates as we move to the booking systems fully integrated with the Scottish Golf App and website.

If you haven't already, download the Scottish Golf App by clicking below.

Going live very, very soon!

The course has taken a bit of beating by the weather over this past week with a combination of wind, snow and a vast amount of rain.

Course is extremely wet in area's so please watch your footing when you are out playing. The 1<sup>st</sup> green will be on a winter green for a few days at the start of next week to give it a chance to dry out.

Due to the high winds over the past 2/3 weeks there is currently a lot of debris out on the course. The club are asking if volunteers are available to assist debris collection around the course early this week. If any volunteers are available to assist please contact Val in the clubhouse or Scott.

We are looking to employ an assistant Greenkeeper and an apprentice Greenkeeper so if any of our members know of anyone who might be interested please get in touch with the club.

Please note that if your ball lands within the marked out winter greens please move your ball to the side no nearer the hole.

Please also ensure that all pitch marks are repaired and if you see another pitch mark on the green please take time to repair this also.
