Planned winter jobs have continued – I hope that anyone who has been out on the course recently can see the power of work that has been done by Scott and his team of volunteers. All of this work is to aid the course not only now but during summer months and will pay dividends in the future.

Scott is now on holiday and is taking a well deserved break with his family over the Christmas and New Year period. The course will be monitored by volunteers during this time.

Please note that if your ball lands within the marked out winter greens please move your ball to the side no nearer the hole.

Please also ensure that all pitch marks are repaired and if you see another pitch mark on the green please take time to repair this also. To help the greens during these challenging winter conditions we all need to do our bit.

3 Club Challenge – Monday 27th of December

Reminder to all members that the 3 club challenge is on Monday the 27th of December with a 10am shotgun start.

This competition has been added to the Scottish Golf app as a trial so please either enter through the app or via BRS.

Hope to see a good turnout and that the weather gods are good to us.

Merry Christmas and a Happy New Year

Just want to start by wishing all of our members and their families a Merry Christmas and a Happy New Year when it comes.

I would personally like to thank all of the members and the many volunteers who have helped this year – without you all the club would not be where it is today.

2021 has been a successful year for the Club in many ways but it has also had it's challenges. Here's to a positive 2022 for the Club and everyone associated with it.
