

**INVERGORDON GOLF CLUB
COURSE ROUND UP No. 4
27th June 2022**

New Event -

Junior Open Tuesday 26th July entry £5.00.

Competition Changes

Belhaven Trophy Saturday 13th August moved to Sunday 14th August.

Rules reminder-

Rakes should be left inside the bunkers, not poking or jutting out.

In the Clubhouse-

New Windows are now being fitted. Good old David McLemman is in situ.

No rattling his ladder now. If anyone would like an old window to build a cold frame or for their shed, just say to David.

Fund Raising

Rota required for helpers at events/opens - volunteers please give your names to Jill. The more the merrier.

Two people are required to help out on such days - one person to check players in, hand out cards, and take any entry fees if required. The other person is required to persuade players to part with their money and buy a raffle ticket/squares. This raises funding to help out pay for such things as the windows, replacement flooring downstairs, and of course a new buggy shed.

It looked like something from "the Wizard of Oz" when that wind hit. I thought I saw

Toto flying past that day!

No it's not Pebble Beach, it's Invergordon.....

Air Commodore Gurney has been giving us a bit of drone coverage. He has so far had no cancelled or delayed flights. Val and I have volunteered to man the airport lounge.

Comments from two of the recent visitors off the cruise liner - "playing your course has been the best excursion of our whole trip" They even bought a couple of polo shirts!

One of the excursion leaders, who had last played the course three years ago, said the course was magnificent, he could not believe the changes on the course.

Match Secretary Report

As stated in the previous newsletter, the purpose of the draw is to enable members to meet each other and to give people the chance to play with other golfers. When the draw is done, it is listed as such on the computer. It requires alteration to delete players/ scores and then re-add them against another player. Time consuming and a pain in the derrière. If you want to go out and play with your pals, book in online, and do a general play score 👍

Course Update -

Bunkers - some bunkers are still a bit stoney - work in progress, when that grass stops commanding so much time and attention.

Lewis Stirling will soon be starting his apprentice greenkeeper course, (SCQF level 5)

His course will be work based, so thank goodness we won't be losing him off the course for any length of time. Good work round the bunkers Lewis - get a job with "Ian the Barber "

Once again an ENORMOUS thanks to everyone out there helping on the course.

Nice to see you back Lennie - enough of that holiday and COVID business 😊
